

## APPLICATION FOR UTILITY LEAK ADJUSTMENT

Per the Eastover Sanitary District Leak Adjustment Policy, one (1) leak adjustment is allowed within a one-year period.

To be eligible for a leak adjustment:

- Total usage must be double the previous 3 months average usage.
- You must NOT have received an adjustment during the one year period from your last adjustment until now. For example: if you received an adjustment on 1/1/2018, you are not eligible for another adjustment until after 1/1/2019.
- You must complete and sign this form and attach receipts/invoices documenting that the leak has been repaired. The receipts may be from a plumber or from the store where you purchased the repair parts if you completed the repair yourself. If no receipts are available, you must complete a No Receipt Available Form and attach it to this form.
- Adjustments to the Sewer portion of your bill are NOT allowed at any time unless the water did not enter the sewer system.
